# Introduction

## John Winston Lennon

was born on October 9th 1940. His father was away and his Aunt Mimi raised him. He formed a band named the Quarry Men, with friends from school. Throughout time the other Beatles joined and the others people left. He was married twice. Once to Cynthia Powell in 1962 and they had a son named Ju-lian. He was the one that inspired Lucy In The Sky With Diamonds. His second wife was Yoko Ono. They were married in 1969 and had one child, Sean. On December 8, 1980 he was assassinated by Mark Chapman, at the age of 40.

## James Paul McCartney

was born on June 18, 1942. Paul's mother died when he was a teenager. **He met John at a performance by John.** They got together and started playing. Then Paul introduced George to John. He was married to **Linda Eastman**. His writing style was more of the slow love songs, although there were many exceptions, **Helter Skelter, Sgt. Pepper**, etc., this was his main style

## George Harrison

was born on February 25, 1943. He is the **youngest** Beatle. He was friends with Paul before he joined the **Quarrymen**. He impressed them with his guitar. The first song he sang was **Chains**. Over time his song writing skills improved. He had two of the most popular songs on **Abbey Road**.

## Richard Starkey

was born on July 7, 1940. He was the **oldest Beatle**. He replaced **Pete Best** as the Beatles drummer in 1962 and was the last Beatle to join. He was not the drummer for Love Me Do; it was Andy White playing the drums on the released version. The first song he sang was **Boys**. The first song he wrote was If You've Got Trouble. It never made a Beatles album. He is noted for singing **Yellow Submarine** and **With A Little Help From My Friends** as well as writing Octopus's Garden. He also came up with the title for A Hard Day's Night. After they had been working all day he came outside and said to a reporter, "It's been a hard day," and looking up he noticed it was **dark** he said, "'s night.

## <Beatles – Hey Jude

Hey Jude, don't make it bad.

Take a sad song and make it better.

Remember to let her into your heart,

Then you can start to make it better.

Hey Jude, don't be afraid.

You were made to go out and get her.

The minute you let her under your skin,

Then you begin to make it better.

And anytime you feel the pain, hey Jude, refrain,

Don't carry the world upon your shoulders.

For well you know that it's a fool who plays it cool

By making his world a little colder.

Hey Jude, don't let me down.

You have found her, now go and get her.

Remember to let her into your heart,

Then you can start to make it better.

So let it out and let it in, hey Jude, begin,

You're waiting for someone to perform with.

And don't you know that it's just you, hey Jude, you'll do,

The movement you need is on your shoulder.

Hey Jude, don't make it bad.

Take a sad song and make it better.

Remember to let her under your skin,

Then you'll begin to make it

Better better better better better better, oh.

Da da da da da da, da da da, hey Jude...

## Beatles – A Day in the Life

I read the news today oh boy  
About a lucky man who made the grade  
And though the news was rather sad  
Well I just had to laugh  
I saw the photograph.  
He blew his mind out in a car  
He didn't notice that the lights had changed  
A crowd of people stood and stared  
They'd seen his face before  
Nobody was really sure  
If he was from the House of Lords.  
I saw a film today oh boy  
The English Army had just won the war  
A crowd of people turned away  
but I just had to look  
Having read the book.  
I'd love to turn you on  
Woke up, fell out of bed,  
Dragged a comb across my head  
Found my way downstairs and drank a cup,  
And looking up I noticed I was late.  
Found my coat and grabbed my hat  
Made the bus in seconds flat  
Found my way upstairs and had a smoke,  
Somebody spoke and I went into a dream  
I read the news today oh boy  
Four thousand holes in Blackburn, Lancashire  
And though the holes were rather small  
They had to count them all  
Now they know how many holes it takes to fill the Albert Hall.  
I'd love to turn you on

## Beatles – A Hard Day's Night

It's been a hard day's night, and I been working like a dog  
It's been a hard day's night, I should be sleeping like a log  
But when I get home to you I'll find the things that you do  
Will make me feel alright  
You know I work all day to get you money to buy you things  
And it's worth it just to hear you say you're going to give me everything  
So why on earth should I moan, 'cause when I get you alone  
You know I feel ok  
When I'm home everything seems to be right  
When I'm home feeling you holding me tight, tight  
Owww!  
So why on earth should I moan, 'cause when I get you alone  
You know I feel ok  
You know I feel alright  
You know I feel alright
